

64%

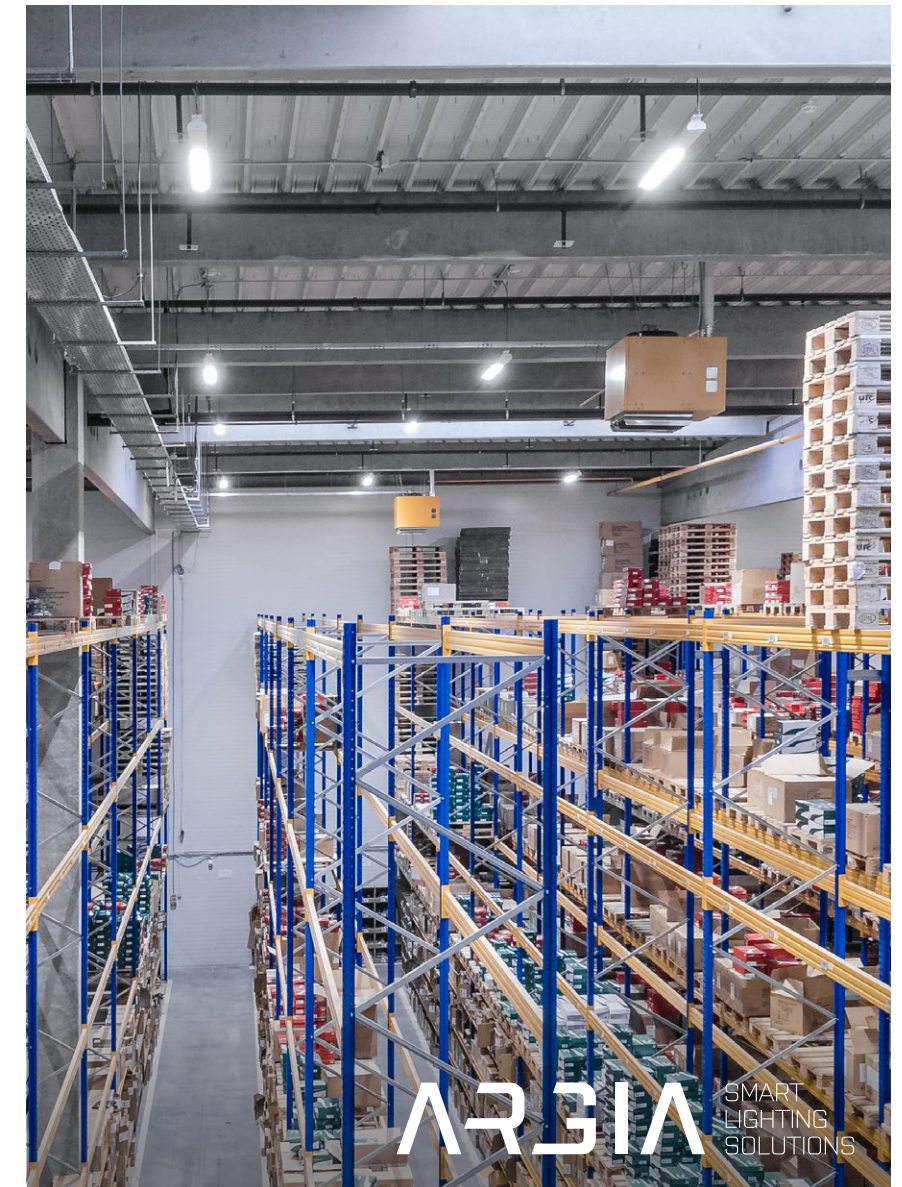

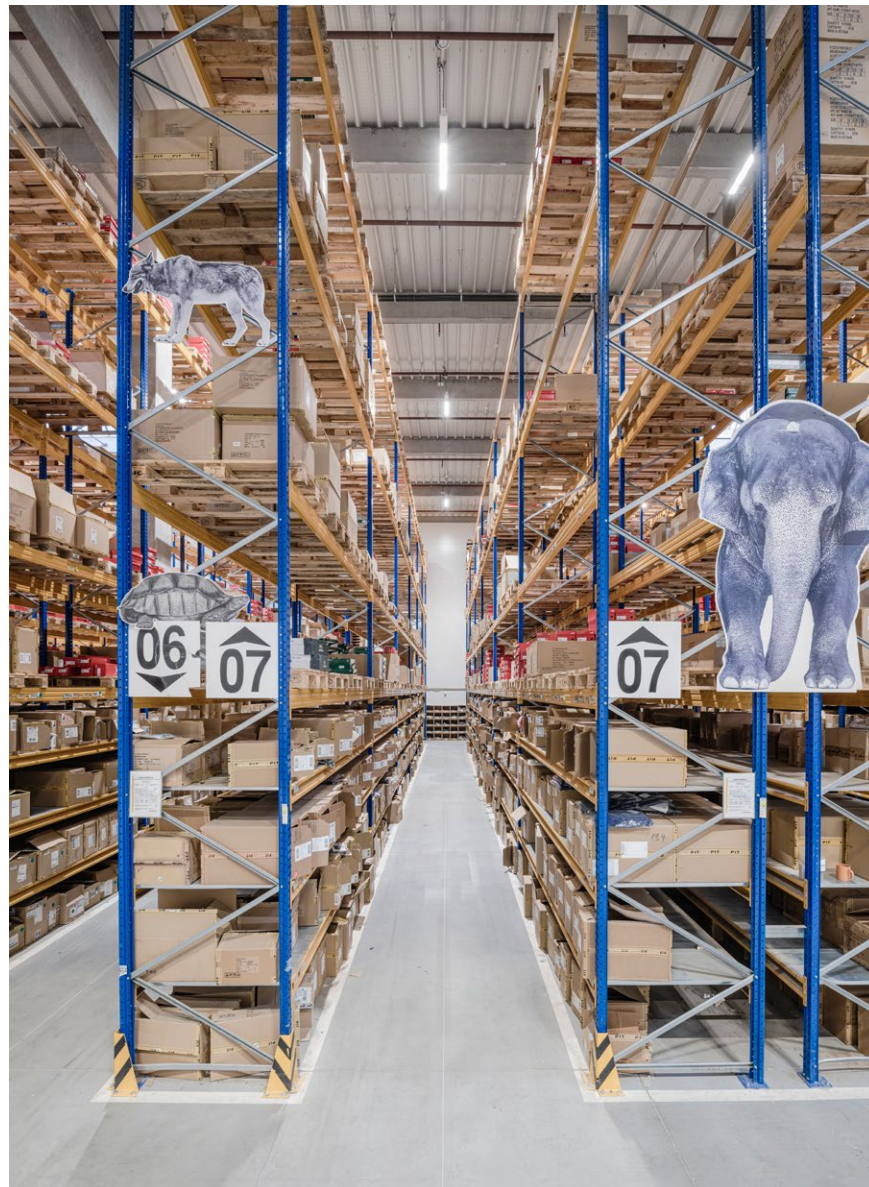

PUMA - AWIGO, PRAHA ZDIBY, CZE

According to the assignment of the important developer company P3 Parks, we implemented complete lighting for a long-term tenant, the company PUMA - AWIGO. The entire installation took place according to the customer's wishes without any restrictions on operation. The luminaires were connected using the existing electrical installation. Everything was delivered on time, in perfect quality and fully in line with the

customer's specifications. The customer's total operating costs were reduced by 64% at a high illuminance level of 500 lux. The demanding and frequent replacement of the original lamps at a height of 10 m has been completely eliminated.

	Original installation	ARGIA lighting solution
Type of luminary	T5 6x54W	ARGIA ALVA3
Number of luminaires	49 units	49 units
Total Input	8.83 kW	5.4 kW
Consumption kWh/year	106,272 kWh	64,845 kWh

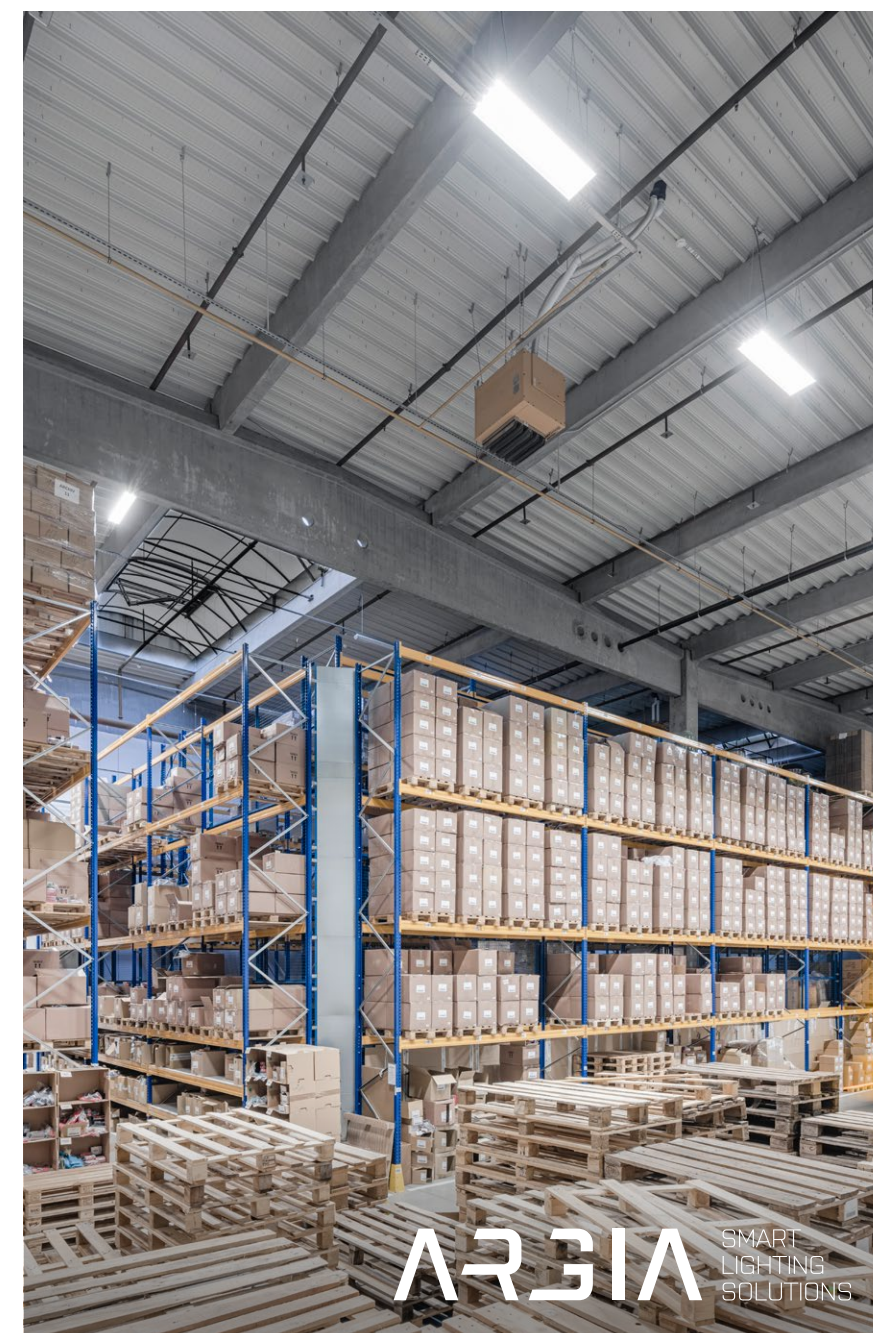

The customer's total operating costs were reduced by 64% while increasing light levels by up to 73%.
