	Original installation	ARGIA lighting solution
Type of luminary	Fluorescent T5 & T8 luminaires	Eaton
Number of luminaires	436 units	436 units
Total Input	166.5 kW	38.5 kW
Consumption kWh/year	692,515 kWh	160,160 kWh
Project result	Customer's total operating costs were reduced by 76% with a significant increase in lighting levels.	
Warranty	5 years	

For ASAIINT we have replaced the already unsuitable lighting of the logistic and warehouse hall with a total area of 24,715 m² in the Prologis Los Altos Industrial Parks. The installation was carried out without limitation of operation and outdated fluorescent luminaires were replaced by modern dimmable LED luminaires individually controlled

with integrated combined daylight and presence sensor. Thanks to ARGIA solution, the customer has achieved an operating cost savings of 76% with a significant increase 50% in the lighting and new lighting in other areas. Everything was delivered on time and in perfect quality.
